| <input type="checkbox"/> WEConnect International                     |  |

### Membership Eligibility

1. Corporations, government agencies, and non-profit organizations that have a supplier diversity program or are in the process of starting one are eligible for membership. Your organization must proactively seek out Women's Business Enterprises (WBEs) as suppliers.
2. An active supplier diversity initiative means you have at least one individual dedicated to supplier diversity who proactively promotes WBE product and service capabilities to your supply chain management or purchasing organization. The initiative must have the tools to track and record spend that will allow the supplier diversity lead to knowledgeably set spend goals and determine capacity development needs.

## CORPORATE COMMITMENT

Corporate Member Dues are based on global revenues of the entity. WBENC Corporate Membership runs the calendar year, January 1 - December 31, and WBENC will prorate new members for the quarter in which they join.

Annual Dues Structure :	Annual Revenues	WBENC Dues
	<\$1B	\$6,500
	\$1B-\$5.9B	\$8,500
	\$6B - \$12.9B	\$10,500
	\$13B - \$24.9B	\$16,000
	\$25B - \$34.9B	\$21,000
	\$35B - \$69.9B	\$26,000
	\$70B+	\$31,000

Government agencies and nonprofit entities pay a flat rate of \$2,500 annually and are not prorated.

Organization's Reported Annual Revenue

Most recent year reported, not a range.

Year

I understand that this application is a commitment to membership. My corporation will be invoiced upon date of acceptance and begin receiving membership benefits immediately.
